Dear Prof. Tzenev,

American Industrial Hygiene Association's (AIHA) Mid-America Local Section and Department of Safety Sciences, University of Central Missouri are proud to announce our support for the Bulgarian Occupational Hygiene Association (BOHA), with the following contact information: Prof. Eng. ILIA TZENEV, PhD, Co-founder of "QUALITY 21<sup>st</sup> CENTURY" Foundation, 1505 Sofia 23, Russalka St., Bulgaria, phone (+359 88) 898 47 98, (hereinafter referred to as BOHA).

AIHA Mid-America Local Section and BOHA desire to formalize a relationship and to cooperatively engage in joint activities to enhance and promote the role of industrial hygienists and other occupational and environmental health, and safety (OEHS) professionals and to advance the professionalism and practice of industrial hygiene worldwide.

We would consider the pursuit of joint activity and projects, such as occupational health safety materials and programs, book or pamphlet development and production, translation of existing publications, and development of distance learning and other educational programs.

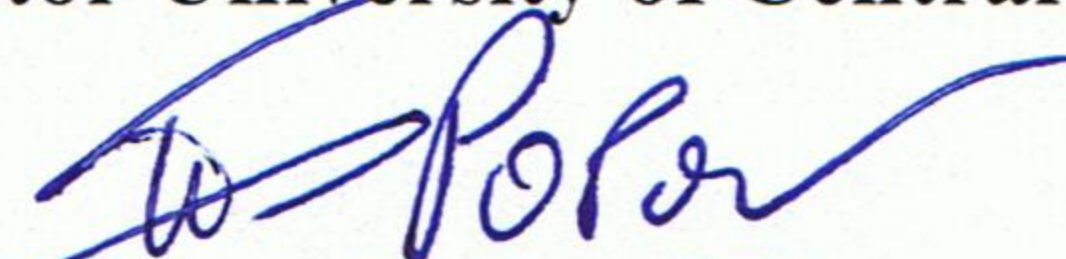

Our local section will support BOHA by providing educational materials and occupational health and safety related expertise upon request.
